

CLEAR VIEW ELEMENTARY PTA

Volunteer Information and Opportunities

A really big thank you to all of the Clear View volunteers who have supported all of our wonderful events this year. These events wouldn't be success (or happen) without you.

During the 2016-2017 school year PTA would like to form committees to help support the several volunteer opportunities including the Harvest Festival, Silent Auction, Book Fairs, Box Tops collections, and our Curriculum Nights (to name a few). All committees will work along side the Clear View PTA board to help organize these events. If you are interested in helping out our school please email clearviewvoyagerspta@gmail.com or sign up at the PTA booth during Back to School Night.

We are also looking for room parent volunteers that will work very closely with the PTA Board and help deliver important information to the other parents in your class. If you are interested, please let us know as soon as possible.

PTA General Meeting and Membership

Please join the PTA in our first general meeting for the 2016 - 2017 school year before Back to school night. During our meeting we will be discussing the various event occurring throughout the year both during and after school. We will also have committee sign ups for the different volunteer opportunities. If you are

not a member of Clear View's PTA, you will have the opportunity to sign up and enjoy the many benefits such as discounted Clear View events and spirit wear. You will also save money on everyday purchases from vendors like Hertz, Staples, MetLife, and Lifetouch.

CLEAR VIEW SPIRIT WEAR

Wear your Clear View Gear every Friday! New Clear View shirts will be available for sale this year.
